As this is Thanksgiving Week, I want to express my thanks to all in the District. You might be a Club President or other officer; you might be a District officer; you might consider yourself "just a Rotarian." But, without all of you, we could not **MAKE DREAMS REAL** for those less fortunate than ourselves.

We have so much to be thankful for - our families, our education, our health, easy access to water, food and the like - things we take for granted, but others do not have.

Through your hard work, dedication and donations, we are able to bring much needed gifts to others - right in our own neighborhoods and towns and across the globe.

Thank you for your hard work so far this year. I am confident we will continue this effort the rest of the year and **MAKE** even more **DREAMS REAL**.

The most precious resource any nation on earth has is ***THEIR CHILDREN***.
I am privileged to serve as your District Governor for this 2008-09 Rotary
year. I look forward to the challenges that lie ahead and know that together,
we will help those less fortunate than ourselves.

Make Dreams Real!
